"Half A Chance"

TWO MEN AND A GIRL

One of these men started at the top of the ladder, rich, respected, and unsuspected.
The other started from the bottom, an ignorant brute, poor, suspected, and finally jailed.
A woman was the magnet to both.
They passed each other, one going up and the other coming down.
The story makes a great human picture with a great hero of brawn and brain, a hero for men, and a hero for women.
